

Sports Super Hero Cape Crusade

Arizona Athletes Team Up to use their Super Powers to build the Emergency Trauma Center for Phoenix Children’s Hospital Patients

Phoenix Children’s Hospital Foundation is expanding their commitment to being “Champions” for children by “teaming-up” with sports organizations, athletes, families and fans to “win” for our Arizona children. It will take a community to improve the emergency and trauma care the children of Arizona need and deserve. We don’t need more providers. We simply need more space so they can do what they do best: save lives.

The Cape Crusade Championship Challenge

Professional Sports Teams, Athletes of all Ages, Families and Fans
We Challenge You to Join the Cape Crusade Championship Challenge

Join a Sports Super Hero Team and become a Champion for PCH Patients.

We need a commitment of \$40 million to make the new Emergency Department and Level 1 Trauma Center a reality. Generous gifts, including \$1 million from PCH’s own trauma surgeons, have put us at the halfway mark and will allow us to break ground in December 2015.

We need YOU to team up with us to raise another \$1 million by December 15th.

Join your favorite Sports Super Hero Team. Our Sports Super Hero Team Rosters include teams and athletes of all ages working together with their families and fans to purchase Sports Super Hero Capes.

Each Sports Super Hero Cape donation of \$500 ignites our sports community’s Super Powers as we Team-Up with PCH patients to play a small role in something much bigger than ourselves-helping build the Emergency Trauma Center- the power of Teamwork.

Cape Crusade Championship: The Sports Super Hero Team that scores the most “capes” wins.

All-Star Super Hero Team Captains include a Youth Board of Athletes Ages 12- 18

The Super Hero Community Project is a collaboration with Phoenix Children's Hospital, Mother's Grace and Patterson Sports Ventures
